### EDUCATION

College	New College. Sarasota, Florida, B.A., 1976
Post-Graduate	Masters' Program in Fine Arts, Interdisciplinary Creative Arts, San Francisco State University, Sept. 1982- July 1983
<b>Medical School</b>	University of California, San Francisco, M.D., 1979-1984
Internship	Harbor-UCLA Medical Center; Torrance, California, July 1984-June 1985, Psychiatry and Rotating Internship
<b>Residency</b>	Harbor-UCLA, Medical Center, July 1985-June 1987, Psychiatry
<b>Fellowship</b>	<b>UCLA Neuropsychiatric Institute, Los Angeles, California, 1987-1989, Child Psychiatry</b>
<b>Honors</b>	<b>Chief Fellow in Child Psychiatry: UCLA 1988-1989</b>  Faculty of the Year: USC, Child and Adolescent Psychiatry Program, 2019  <b>Research Fellow, International Psychoanalytical Association, 2018</b>  <b>Distinguished Life Fellow, American Psychiatric Association, 2017</b>  Faculty of the Year: USC, Child and Adolescent Psychiatry Program, 2016  Distinguished Fellow, American Psychiatric Association, 2013  Faculty of the Year: USC, Child and Adolescent Psychiatry Program, 2013  American Academy of Child and Adolescent Psychiatry: Outstanding Mentor Award, 2010  Faculty of the Year: USC, Child and Adolescent Psychiatry Program, 2007
<b>Board Certifications</b>	<b>American Board of Psychiatry and Neurology, (Psychiatry), 1991</b>

*Note that Child Psychiatrists are fully trained in Adult and General Psychiatry **before** training in Child Psychiatry and must pass General Psychiatry Boards to be eligible to take the Child and Adolescent Psychiatry Board Examination.*

American Board of Psychiatry and Neurology, (Child and Adolescent Psychiatry), 1991

**American Board of Psychiatry and Neurology, (Child and Adolescent Psychiatry), 1991**

## **PROFESSIONAL BACKGROUND**

### ACADEMIC APPOINTMENTS

**Adjunct Professor of Clinical Psychiatry, Keck School of Medicine, Department of Psychiatry, University of Southern California, Los Angeles, California, 2021-Current**

**Assistant Professor of Clinical Psychiatry, Keck School of Medicine, Department of Psychiatry, University of Southern California, Los Angeles, California, 2005-2021**

**Assistant Clinical Professor, UCLA Department of Psychiatry, 1990-2005**

### CURRENT CHILD AND ADULT TREATMENT/CONSULTING

**Consulting and Treating Child and Adult Psychiatrist, California State University Long Beach, Trauma Recovery Center, 2022-Current**

### FORENSIC WORK

**Expert Witness, Los Angeles, CA, Forensic and Child and Adolescent Psychiatry. 1990 - Current**

Solo practice. Cases have spanned the range of general and child psychiatry. **Specializing in acute and enduring effects of trauma and adversity.**

- ***Defense and plaintiff, both civil and criminal.***

**Child and Adult** cases involving:

- Institutional Sexual Abuse
- Effects of Trauma and Adversity on Child Development
- Post-Traumatic Stress Disorder (PTSD)
- Complex Post-Traumatic Stress Disorder (C-PTSD)
- Betrayal Trauma (a powerful way to understand the dynamics of sexual abuse)
- Chronic Physical, Sexual or Emotional Abuse
- Workplace Stress and Trauma

- Date Rape/ Internet Seduction
- Post-traumatic Loss, Grief and Depression
- Psychological Effects of Injury to the Body or Brain
  - Traumatic Brain Injury: overlap with PTSD, differentiating TBI from PTSD and additive effects of both (commonly occurring)
- Systems of Care:
  - Hospitals, Group Homes, Residential Treatment, Foster Care

**Workers Compensation Psychiatric Evaluations**, Los Angeles, CA, Part-time:

Evaluated about 100 psychiatrically injured workers, developed an instrument for gathering information systematically, and “grandfathered” as QME, 1989-2001

**TEACHING**

1992: developed a training program at Hathaway Children’s Village for fellows in child psychiatry from Cedars-Sinai Hospital, a UCLA affiliate. This training program grew and lasted until the closing of Cedars’ psychiatric units late 2011.

Supervised graduate students in counseling, social work, and psychology, as well as medical students and general and child psychiatry trainees at all levels and provided regular continuing education throughout tenure at Hathaway and at Children’s Institute.

**Teaching** at USC consisted of interactive didactics and clinical supervision. My supervision included assessment and treatment of children, adolescents, and adults, with a focus on:

1. The importance of clear diagnostics,
2. The interplay of biology and experience, especially considering the effects of trauma and adversity,
3. Integrating evidence-based psychotherapy with rational psychopharmacology.

With a 5-year grant from SAMSHA, I **developed USC’s Child and Adolescent Psychiatry Trauma Program** in 2005 and taught **Trauma-Focused Cognitive Behavioral Therapy** to USC trainees from 2006 to 2021. In addition, I taught a didactic course in psychotherapy, supervised a monthly **Child and Adolescent Psychiatry Journal Club** and a developed a course in **Statistics** that focused on the importance of **critical thinking**. I have presented regular **clinical case conferences** jointly to pediatric and child psychiatry trainees.

In my role as Ward Chief on the Adolescent Inpatient Unit, I taught trainees how to assess child trauma and to differentiate the effects of severe trauma from psychosis. In addition, I taught trainees how to interview **families** and to use **Expressive Arts** in therapy groups with our adolescent patients.

**EMPLOYMENT**

**Solo Psychiatric Expert Witness practice**, El Segundo, California, 1989-Current

**Consulting and Treating Child and Adult Psychiatrist**, California State University Long Beach, Trauma Recovery Center, 2022-Current

**Attending Psychiatrist, Child and Adolescent Psychiatry Outpatient Clinic**, University of Southern California, Los Angeles, California, 2015 – 2021

**Director, Child and Adolescent Psychiatry Trauma Program**, University of Southern California, Los Angeles, California, 2006 – 2021

**Attending Psychiatrist, Adult Psychiatry Outpatient Clinic**, University of Southern California, Los Angeles, California, 2015 –2018

**Co-Ward Chief, Adolescent Inpatient Psychiatry**, University of Southern California, Los Angeles, California, 2013-2015

**Senior Consulting Psychiatrist**, Children's Institute, Los Angeles, 2013-2015

**Chief, Child and Adolescent Crisis, Emergency and Consultation Service**, University of Southern California, Los Angeles, California, 2006-2013

**Weekly overnight call and supervision of psychiatry residents** at Augustus Hawkins Hospital, University of Southern California, Los Angeles, California, 2009-2014

**Clinical Child Psychiatrist and Consultant**, Maternal/Child AIDS Clinic, University of Southern California, Los Angeles, California, 2011 – 2012

**Clinical Psychiatrist and Consultant**, Men's AIDS Clinic, University of Southern California, Los Angeles, California, 2011 – 2012

**Faculty Member**, General Psychiatry Emergency Services, University of Southern California, Los Angeles, California, 2011

**Ward Chief**, Adolescent Inpatient Unit, University of Southern California, Los Angeles, California, 2005—2006

**Psychiatric Relief Work**, (volunteer), International Medical Corps, Banda Aceh, Indonesia, April-May 2005

**Chief of Child Inpatient Unit**, Kedren Hospital and Community Treatment Center, Los Angeles, California Jan. 2004- Feb. 2005 (6 weeks)

**Director of Research**, Hathaway Children's Clinical Research Institute, Sylmar, California, 1999-2004

**Chief of Psychiatry**, Hathaway Children and Family Services, Sylmar, California, 1989-1999

**Clinical Child Psychiatrist**, Hathaway Children's Village, Sylmar, California, 1988-1999

**Consultant**, Child Psychiatry Program Development, Hollygrove Children's Center, Hollywood, California, 1997

**Private Practice** in Child and Adolescent Psychiatry Manhattan Beach, California, 1989-1995

**Qualified Medical Examiner**, evaluation and treatment of psychiatrically injured workers, Los Angeles, California, 1989-2001

**Counselor/Team Leader**, St. George Homes, Jungian residential treatment for schizophrenic and autistic adolescents, Berkeley California, 1977-1978

### **Committee Membership**

National Child Traumatic Stress Network, Substance Abuse Committee, 2006 – 2011

National Child Traumatic Stress Network, Complex Trauma Committee, 2010 – 2011

American Academy of Child and Adolescent Psychiatry, (AACAP), Disaster and Trauma Committee, 2004-2009

AACAP, Psychotherapy Committee, 1992-2001

AACAP, Outcomes Research Taskforce, 1995-1999

AACAP, Residential Treatment Committee, 1994-1999

AACAP, Assembly of Regional Councils Delegate (AACAP) 1997-1998

National Child Traumatic Stress Network, Founding Chairperson, Residential Treatment Committee, 2004

### **Society Membership**

#### Local

Southern California Society of Child and Adolescent Psychiatry, 1989-current  
Executive Committee, 1994-2000; President 1999

Southern California Psychiatric Society, 1985-current  
Executive Council; Regional Representative, 1995-1999

Grex Group Relations, Board Member 2022-Current  
Treasurer: 2024

#### National

American Psychiatric Association, 1985-current  
American Academy of Child and Adolescent Psychiatry, 1989- current  
International Society of Traumatic Stress Studies, 2001-current  
American Professional Society on the Abuse of Children, 2021-Current  
American Medical Association, 2022-current  
Forensic Expert Witness Association, 2008-current

AK Rice Institute, 2024  
International Society of Clinical and Experimental Hypnosis, 2021-Current  
American Society of Clinical Hypnosis, 1995-1998

### **Consulting**

Residential Treatment Program Assessment, National Center for Child Traumatic Stress, UCLA (part of NCTSN), 2004-2005

Child Psychiatry Program Development, Hollygrove Children's Center, Hollywood, California, 1997

## PAST RESEARCH ACTIVITIES

Founding Director, Hathaway Children's Clinical Research Institute, 1999-2004

## RESEARCH PROJECTS

### Current:

#### **Screener for Child Attachment, Adversity, Trauma, Impairment and Resilience (SCAATIR):**

Currently refining and field testing this instrument developed with Julian Ford, PhD, to provide rapid screening of all forms of child psychological trauma and adversity.

### Past:

**PC-CARE for Mothers with HIV.** Funded Pilot study of a parenting intervention for HIV+ mothers and their HIV- children with disruptive behavior. This would be the first study to demonstrate the effectiveness of this intervention with medically ill mothers

**Justina: A Virtual Adolescent Trauma Patient:** Worked with a team to develop this tool for training mental health students and professionals about PTSD and the significance of therapeutic alliance.

Developed a **comprehensive database** documenting trauma histories, symptoms, and functioning in multiple domains for a longitudinal outcomes project focusing on consequences of severe interpersonal trauma in a population of ethnically diverse youth in residential treatment.

**Examined Best Practices** across the spectrum of services provided by Hathaway's major sites including two community-based outpatient clinics, all residential, foster care, family preservation and substance abuse services (total agency budget: \$18 Million).

**Initiated Collaborative projects** to explore improved treatment models for chronically traumatized children in residential treatment as well as examining alternatives to residential treatment.

## GRANTS

**The Southern California Clinical and Translational Science Institute (SC CTSI)**  
2018-2023

**Pilot Funding Program "PC-CARE Improves Lives of Disruptive Children and their Mothers Living with HIV."** This would be the first study to demonstrate the effectiveness of this intervention with medically ill mothers. \$40,000 per year for a 3-year study.

## **SC CTSI 2014-2015 Pilot Funding Program**

**“Bio Markers of Early Childhood Trauma and Changes through Intervention” Project co-developed with Children’s Institute, Inc. Primary co-investigator advising on child trauma and trauma research. \$40,000 per year for a 3-year study**

## **Provost’s Seed Grant for Teaching with Technology, 2007-2008**

**“Justina: A Virtual Human Patient to Teach Interviewing Skills for PTSD.”** Developed with the USC Center for Creative Technologies. Co-Investigator and primary advisor about child trauma. \$48,500

## **The National Child Traumatic Stress Network, 2006-2011**

**Principal Investigator for the USC subcontract in this Level III Network Grant to provide trauma assessment and services to children and their families, and to develop a child trauma psychiatry training program for the USC Division of Child and Adolescent Psychiatry. \$100,000/year for each of 5 years (USC subcontract)**

## **The BC McCabe Foundation, 2001-2004.**

This grant funded the **Hathaway Children’s Clinical Research Institute.**

**This groundbreaking study brought state of the art research methods to a Residential Treatment Center for Abused and Neglected Children and Children Adjudicated to Residential Care from Juvenile Hall. With a small team and advisors from UCLA, we developed the Institute infrastructure and performed three years of data collection involving 98 children from ages 6 to 18 who lived at the facility from about 1 to 12 years. \$750,000**

## **Renewal of the BC McCabe Foundation Grant, 2004-2005**

This renewal grant focused on Best Practice evaluation across the agency. This led to a plan for Continuous Quality Improvement. These grants resulted in the development of a comprehensive database on over 100 traumatized youth. **\$650,000**

## **PUBLICATIONS**

**Sugar, J, (2022) “Some Words for the Graduates,” (Poem), Psychiatric Times, online 8/4/22**
